Dear Mr. Mason:

This letter serves as follow-up to the October 26, 1983, telephone conversation between Mrs. Karen Flournoy of my staff, and yourself, regarding closure of LP-2.

As Mrs. Flournoy advised you, we did not receive any comments on the partial closure plan during the thirty day comment period required by Section 265.112(d) of the RCRA regulations. This letter constitutes the Environmental Protection Agency (EPA), and the Kansas Department of Health and Environment (KDHE) approval of the partial closure plan and notice to proceed with closure activities as contained in the approved closure plan.

If you have any questions regarding this letter, please contact Mrs. Flournoy at (816) 374-6531.

Sincerely yours,
